Office Service Nederland joins Fair Furniture Group

Hoogeveen, 3 June 2024 - Facility services provider Office Service Nederland BV has become part of the Fair Furniture Group as of the 1st of June 2024.

In recent years, we have seen a strong increase in demand for facilities support from customers of Fair Furniture Group's brands: Vepa, Eromesmarko, BUUR, Be by Beta and De Lockerfabriek. This is primarily the result of an increase in turnover and the large number of labour-intensive circular projects. With the integration of Office Service Nederland, the Fair Furniture Group's facility services team has grown by more than 35 people working across the country.

Frits Muijs, managing director Fair Furniture Group: *"By integrating, we shorten the lines to our customers and increase our service level, enabling us to provide them with quick and expert assistance."*

Since its establishment in 1998, Office Service Nederland has been managed and owned by the same people and it is financially sound. Simon Piest, managing director Office Service Nederland: *"Over the past couple of years, we have built a strong team and our employees form a very tight-knit group. Joining the Fair Furniture Group means we are moving towards a sustainable future together."*

Fair Furniture Group welcomes Office Service Nederland.
